

## S.I.C.P. 40<sup>th</sup> Anniversary Pin Available

Richard K. Aspnes

In commemoration of the 40<sup>th</sup> anniversary of the Society's founding, a membership pin is being made available for purchase.

The purchase price is a minimal US\$1.60 each; postage and packaging are additional and will be calculated based on the member's mailing address. The pin will be mailed in a padded envelope. Due to U.S. Postal Service (USPS) regulations, the postage costs are charged at a higher level as the package is 'non-machinable' and must be processed manually by the USPS. The USPS is raising postage rates (again!) in 2012 and an exact postage cost is not available at this time.

Payment via PayPal is accepted (with the addition of PayPal fees); please address your requests to [rkaspnes@garuda.com](mailto:rkaspnes@garuda.com).
